Description of the need for the information and proposed use: A Capital Needs Assessment is a detailed review of a property's expected capital expenditures over future years. It is needed to appropriately value a property, to determine financial sustainability, and to plan for funding of an escrow account to be used for capital repair and replacement needs during the estimate period. It is used by lenders, and property owners, developers, and HUD for valuation, underwriting, and asset management purposes.

Respondents (i.e. affected public): property owners, buyers, mortgage lenders, assisted housing providers, or those receiving rental assistance.

Estimated Number of Respondents: 2,041.

Estimated Number of Responses: 2,041.

Frequency of Response: Once periodically.

Average Hours per Response: 40 hours.

Total Estimated Burden: 81,640 hours.

B. Solicitation of Public Comment

This notice is soliciting comments from members of the public and affected parties concerning the collection of information described in Section A on the following:

- (1) Whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;
- (2) The accuracy of the agency's estimate of the burden of the proposed collection of information;
- (3) Ways to enhance the quality, utility, and clarity of the information to be collected; and
- (4) Ways to minimize the burden of the collection of information on those who are to respond; including through the use of appropriate automated collection techniques or other forms of information technology, e.g., permitting electronic submission of responses.

HUD encourages interested parties to submit comment in response to these questions.

C. Authority: Section 3507 of the Paperwork Reduction Act of 1995, 44 U.S.C. Chapter 35.

Dated: February 14, 2018.

Dana T. Wade,
